MATCH PLAY CHAMPIONSHIP

MEMBERS ONLY TOURNAMENT

The Club at Apple Mountain Match Play Championship is one of three major tournaments for our Club. This event is open to all 2024 Club Members only (Men & Women). Members who have not played in at least two tournaments or Ball Tosses within the last 12 months will not be eligible to be crowned Match Play Champion for any Flight. **The tournament will have multiple flights, depending on the number of entrants.** This is a Round Robin Tournament, using 100% of a player's handicap, based on the Club handicap policy. Please select your Tee box preference at the bottom of the entry form - Blue/White Combo, White, White/Gold (Jenkins), Gold or Red.

Entry for this Championship will be open through Saturday, May 11, 2024. After this date, tournament Flights and Pods within each Flight will be published with play beginning on May 15, 2024.

Once the Pods are published, players will have deadlines by which they must complete their Matches. The tournament playing deadline dates are as follows:

- 1st Round: May 31 • 2nd Round: June 15 • 3rd round: June 29 • Semifinals: July 13
- Finals: July 27. These dates are subject to change based on number of Flights and Pods.

Players are to contact one another to set up a mutually agreeable date & time for their match. It is required that all players will pre-announce 5 available playing dates per scheduled 2 Week round to accommodate both players' schedules and eliminate undue delays. All matches must be played at Apple Mountain. If possible or practical, to minimize distractions, no other players should play during a match unless it is another contest in the Match Play Championship. Any delays in getting your matches means delaying the whole field.

Players are responsible for their own green fees. **The deadline for sign-up and payment is Saturday, May 11, 2024, so please sign-up soon!** Once the Flights and Pods are published, no further sign-ups will be accepted. There will be a Match Play Champion winner for each flight. The flight winners (based upon number of entrants) will be determined by playoff matches.

Entry Fees for All Members are \$32 (Plus Regular Green Fees)

You may register online at Club at Apple Mountain or in the pro shop.
