The Club at *Apple Mountain* is excited to announce the Second Annual *PRO PAR 3 Open Tournament* during the last three weeks of July.

PRO PAR 3 is a new twist on golf that measures distance instead of strokes. Two player teams compete by hitting 2 balls (each player) from a designated “par 3” distance from the green on every hole. The pin on the green is replaced by a laser that measures the exact distance to the closest ball for each team. **No driving. No chipping or putting! You get two chances to get close to the pin.**

Two-person teams will compete in this tournament. The tournament will consist of two rounds and will have flights based on established handicaps. Round one will pit two foursomes (4 teams) against each other in a nine- hole match. The team with the combined shortest measured distance from the pins over the entire nine holes will win the match. The field will be limited to the first 20 teams to sign up. Matches will start about 3 pm.

Round “one” will be conducted on separate days (2 foursomes per day) to accommodate a maximum of 20 teams (5 days). Round “two” will pit the overall winner of each flight in a 9-hole match.

Each Flight will have four teams and the payout is for 1st & 2nd place. In Round “two”, the Championship Round, the overall winners of each flight will compete for the overall Pro Par 3 Championship. Payouts will depend on the number of teams playing.

This will be an exciting way to test your skill at hitting every green from a “par 3” distance. (There are “distance penalties” for missing the green entirely). Deadline for signing up is Monday July 5! Select your partner now! Plan on being available during early July.

Entry \$32.00 per player + green fees. Low handicap \$50 +green fees Cash Prizes

Handicap flights are “10 & Under”- \$50, “11 - 19”- \$32, “20 and over - \$32”.
